Your Free Bonus!

Because you've purchased one of my editable Canva templates, I'd like to show my appreciation by giving you some additional sheets to play around with! Yay!

☞ **GRAB YOUR 10 x BONUS SHEETS HERE!!** ☜

Have some questions? I have answers!

Will I get a different bonus each time I purchase more Canva templates in your shop?
Nope, there is only one bonus with the same design for everyone.

Are they free for commercial use, too?
I'd prefer if they are used for personal purposes only. However, if you're interested in adding them to a commercial design, feel free to send me an Etsy convo!

Are these sheets refundable?
Because I have given them to you for free as a thank you gift, they cannot be refunded. If you have any issues with your main Canva template purchases, please contact me as soon as possible.
